TO WHOM IT MAY CONCERN

This is to certify that M/S Hi-Tech Radiators Ltd, situated at Plot, R-603 , TTC Industrial Area, Rabale, Navi Mumbai, Maharashtra, India have been supplying very good quality fin type radiators to us since last 10 years on regular basis.

In the last year alone, we have bought more than 8,000 radiators from Hi- Tech.

It has shown its capability to comply with the technical requirements. All round performance of radiators including packing quality and delivery is excellent.

Hi-tech is a reliable manufacturer of radiators for us and we have used their radiators in many of our prestigious projects such as Kuwait MEW, Saudi Armco, Saudi electricity company, Technip, Techint, Petrochemia etc where quality is a vital factor.

For STC/WESCOSA
